OFFICE OF THE SENIOR SURGEON IN MYSORE,

No. C669-42

Bangalore, dated 21st January 194 3

FROM

V. V. MONTEIRO, Esq., M.B.B.S., F.R.F.P.S (Glas.), D.P.H. (Eng.),
Senior Surgeon with the Government of H. H. the Maharaja of Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Law Department, Bangalore.

Sir,

With reference to Government Order No.G.2088-9/Med. 39-42-4 dated 11-8-1942 approving of the rules defining the relations of Medical Officer in charge of the Princess Krishnajammanni Sanatorium, Mysore, with the other institutions connected with the prevention and cure of tuberculosis, I have the honour to state that this order which directs that such of the tuberculosis clinics as function as separate units, may be under "the general supervision and control of the Medical Officer of the Sanatorium, Mysore", has given rise to a doubt whether the administrative control of the District Medical Officers over these institutions has been transferred to the Medical Officer, Princess Krishnajammanni Sanatorium, Mysore. This question was discussed at the last meeting of the State Tuberculosis Association held on 24-10-1942. I suggested that the wordings of first para of the Government Order "General supervision and control" may be changed to "general supervision and professional advice", and it was resolved that I may move the Government to effect necessary change in the Government Order. In submitting herewith a copy of the resolution passed by the State Tuberculosis Association on the subject, I request that Government may be pleased to effect the change in the wording of the Government Order.

P.T.O.

rder.

I have the honour to be,
Sir,
Your most obedient servant,

Senior Surgeon.

Copy of resolution No. 6:- Government Order defining the relationship of the Secretary with institutions connected with prevention and cure of tuberculosis was read and recorded. The Senior Surgeon suggested that the wordings in the first para of Government Order "General supervision and control" will have to be changed to "General supervision and professional advice". The Committee opined that the Senior Surgeon may move the Government to effect the necessary change in the Government Order.
